Fax: 8261 0534

Principal: Kellie Anderson

Dear Parents/Caregivers,

We would like to thank all families in the Year 2/3 cohort for their continual support and understanding in these difficult times.

Together we have created a timetable and pack for learning in the home environment during the second term. The packs include essential items for your child's learning, including writing utensils, exercise books, dice and cards. You will be asked to use these throughout the term.

The work that students are doing at home is a continuation of what has already begun at school along with a mixture of new activities. All work can be completed on an electronic device or on paper. Please refer to the timetables, which will be sent out weekly, to see which tasks need to be completed on each day. The learning activities undertaken will be similar across all classrooms. We will need students to send evidence of their learning to teachers. This may include, but is not limited to, Word documents, PowerPoints, photos of written work and video or voice recordings.

On the Dernancourt R-7 School website you will notice a section called "Home Learning." This section has a copy of the learning experiences for NIT subjects (Japanese, Science and Performing Arts). This is where students will need to access the learning tasks for these subjects.

P2, P3 and P4 will communicate through Class Dojo and P10 will send correspondence through e-mail. Throughout your home learning journey we will also be in contact with you via phone calls, this may be from a classroom teacher or SSO. If you have any questions, please contact the school via phone or your class teacher via Class Dojo (P2, P3, P4) or email (P10) and we will do our best to support you during this unprecedented time.

Kind Regards,

Year 2/3 Team

Guy Barbara, Amelia Travis, Georgina Watkins & Karly Neoh
