Use various word processing programmes and the internet to complete your learning contract.</p>	<p>Literacy Spend 20 minutes practising your list of words each day Weekly Test Get an adult or sibling to test you on your words. Use the Spelling Test Sheet in the pack. Choose activities from the spelling contract. Performing Arts (30 minutes) See school website for task.</p>
After Recess	<p>Reading Spend 30 minutes reading. This could include reading to a family member, silent reading, listening to reading or reading an e-book (Sunshine Online Readers) In Sunshine Online, you need to read the books that are in your reading level and complete the activities provided with each book. Your password for Sunshine online was given to you in your pack. Please record the books you read in your Term 2 Home Reading Journal and in your Premier's Challenge Sheet. I have put another copy of the Premier's sheet in the pack. Remember you can now add any books you read in the Premier's Challenge. You can also go onto Readtheory. This is an online program. Details on how to log on are in the pack.</p>				
	<p>Maths Mental routine: 5 minute maths revision for Monday Topic/concept: Addition Play Win a 100 game using your dice and the 100 laminated chart. Play on your own or with a parent.</p>	<p>Maths Mental routine: 5 minute maths revision for Tuesday Topic/concept: Addition Brainstorm as many words as you can that mean ADDITION. For example – plus; add; in all. Use a whole page and decorate your word. Use technology to help you.</p>	<p>Maths Mental routine: 5 minute maths revision for Wednesday Topic/concept: Addition Complete the worksheet. Check you answers using a calculator.</p>	<p>Maths Mental routine: 5 minute maths revision for Thursday Topic/concept: Addition Write 5 to 10 story questions involving addition. For example; Mr Barbara found 20 pencils on the floor and then found another 45 pencils. How many did he have in all? You also need to solve them.</p>	<p>Maths Mental routine: write as many number sentences as you can that add up to 20. Topic/concept: Addition Complete the story questions worksheet. Use a calculator to check your answers.</p>
After Lunch	<p>HASS Read the PowerPoint on John Simpson Kirkpatrick or/and go the YouTube and search The Donkey of Gallipoli. After viewing one or both, your task is to retell the story in your own words in a narrative form. This may take you a few lessons to complete.</p>	<p>HASS Continue writing your narrative. Get an adult to proof read and check you work. You can publish your narrative on word.</p>	<p>Science (1 hour) See school website for task. Japanese (30 minutes) See school website for task.</p>	<p>Art How to draw poppies. Go to Art Hub For Kids on YouTube. View How To Daw Poppies Practice drawing poppies on scrap paper. Ask parents or siblings for feedback. Tomorrow you will draw your best poppies on cartridge paper.</p>	<p>Art Draw poppies on cartridge paper. Show parents and siblings and display you work. Japanese (30 minutes) See school website for task.</p>
	At the end of each day, write in your Learning Journal reflecting on your day. How are you feeling? What did you find challenging? What tasks did you enjoy? What do you need more help with?				

YouTube Websites and Resources for Week 1

The PowerPoint on **John Simpson Kirkpatrick** will be emailed to you during the last week of the holidays. All other resources and materials you need are in the pack sent to you.

It is very important to have regular breaks during the day and to spend quality time with your loved ones. Do your best and remember our Quality Work Code. For example, ruling up your page appropriately using a ruler, neat handwriting and colouring in and to challenge yourself. Be the best learner you can be and attempt all tasks. Of course your parents can help you and it is Ok to make mistakes. Use the skills and knowledge that you learnt in P10 in Term 1 to help you in your home leaning journey, especially your computing skills.

From your teacher who misses you a lot,

Mr Barbara
