**It is very important to have regular breaks during the day and to spend quality time with your loved ones. Do your best and remember our Quality Work Code. For example ruling up your page appropriately using a ruler, neat handwriting and colouring in and to challenge yourself. Be the best learner you can be and attempt all tasks. Of course your parents can help you and it is Ok to make mistakes. Use the skills and knowledge that you learnt in P10 in Term 1 to help you in your home leaning journey, especially your computing skills.**

**From your teacher who misses you more this week than last week,**
