

Dernancourt School R-7

29 Parsons Road, Dernancourt, 5075

Phone: 8261 5006 82612677

Fax: 8261 0534

Principal: Kellie Anderson

Dear Parents/ Caregivers,

We would like to thank you all for your support during these unprecedented times. Home learning is a new experience for us all and together we will support your child's continued learning.

Together the year 4/5 teaching team has created a 2-week home learning pack, which reflects the Australian Curriculum. This learning pack is the same across the three classes. Included in the pack is a 2-week timetable, which gives instructions about which tasks to complete each day. The learning tasks can be completed in their green exercise book and on the worksheets, however to support the tasks, some websites may need to be accessed through a device.

To maintain contact with students, P8 and P11 teachers will communicate through Class Dojo, and Niki Kenyon in P5 will be communicating through email. These platforms will also be used to share completed work with the teachers. When your child completes certain tasks, we will direct you to photograph the work and send it via Dojo or email.

On the Dernancourt School R-7 website you will find a section called 'Home Learning'. This section has a copy of the learning tasks for Japanese, Science and Performing Arts. This is where the students will access these subject areas. You can also find the year 4/5 term overview and the fortnightly timetables on the website.

Regards,
Meredith McCade,
Emma Salini,
Niki Kenyon and
Cara Milanese.
