

## Japanese Lessons Reception - Year 2

The 2021 Tokyo Olympic and Paralympic Games begin this Friday in Japan.

The Olympic and Paralympic mascots for Japan are Miraitowa (meaning future) and Someity (meaning a type of cherry blossom tree).

Miraitowa

Someity

Use your imagination to create 2 more mascots for the Tokyo Olympic and Paralympic Games. What would they look like? What colours would you use? What would their names be? Could you make Japanese names for them? Could you find the meaning of the Japanese name?

Make a poster of the mascots you have created including their names.

If you have any questions about the task please contact me via email
