

Paper Plate Turtle {Kid Craft}

In the spirit of summer and water fun activities – today I’m sharing a “turtle” craft that is fun for all ages! It’s titled **Paper Plate Turtle** and I hope you like it!!!

This kid craft is super easy and pulled together with simply supplies like a paper plate, glue and tons of tissue paper. It doesn’t get any easier or cheaper than that!

Now if your child is “BEGGING” {or more like bugging} you to do something fun w/them today – why not give this turtle craft a try?

And as always – I hope this crafty kid craft post inspires you! #gluedtomycrafts

Paper Plate Turtle Craft Supplies:

- * Large Paper Plate
- * Green Tissue Paper {I used two shades of green}
- * Green/White Construction Paper {for the legs, tail & head}
- * White School Glue
- * Scissors
- * Paint Brush
- * Stapler

Directions:

- * First cut your tissue paper into squares. Set aside.
- * Out of your construction paper, cut out 4 legs, 1 head and 1 tail for the turtle. Don't forget eyes!
- * Now slather a good amount of glue on the backside of your paper plate. Use a paint brush to really cover it.
- * Ask your child to place the tissue paper squares on the paper plate, until it's completely covered. Set aside to let it dry completely.
- * To finish off the turtle – staple the construction paper pieces in the designated spots to give the turtle life.
