

BODY PERCUSSION

Body percussion is the art of using the body to produce various types of sounds and creating rhythms to perform body percussion music.

BODY PERCUSSION WARM UP #12 <https://youtu.be/zsXOehynKJ8>

- Use this Youtube link and watch the video. Copy the actions.
- Can you think of any other sounds you can make with your body?
- Compose 4 different bars of 4 beat body percussion.
- Think of a way you could record your music so that someone else could play it by looking at your chart below (each box represents 1 beat).

CLUE – You could use pictures, words, symbols, colours, etc.

You can put more than one sound in a box or you can have a rest  if you want (JUST NOT IN ALL OF THE BOXES).
