Fax: 8261 0534

Principal: Kellie Anderson

Dear Parents and Caregivers,

When you start to think about helping your child to learn from home, remember that no one expects you to be a subject matter expert or teacher. The most important thing that you can do is to continue to provide comfort, support and encouragement to your child.

You can help your child to learn from home by working with us and supporting them as they undertake the activities we provide.

We will:

- Provide continuity of learning by preparing the same program for home and school
- Be available for you and your child to communicate with us via email or phone call (upon request)

Your child's responsibilities during remote learning:

- Do their best by completing tasks with integrity and academic honesty
- Do their best to meet timelines and due dates
- Communicate openly with us about any successes, concerns or questions that may arise

Lesson plans will be uploaded onto the Dernancourt School R-7 website each fortnight under the Home Learning tab. We have also provided you with links to other great educational sites to extend the learning.

Please ensure that any work that is submitted includes your child's name and room number.

Yours sincerely,

Ros, Shannon, Claudine and Natasha
