

Canteen News 2026

Hello, My name is Tracy Jones I am Dernancourt Schools Canteen Manager. For all the new students, parents and caregivers in 2026 I would like to inform you on how the canteen works.

The Canteen is open Monday, Wednesday, Thursday and Friday.

Lunch Orders

- If you would like to place a lunch order for your student please download the QKr! App by Mastercard for your phone or computer. There are further instructions on the Dernancourt School website under the canteen tab. It has instructions on how to do this.
- When ordering Ice blocks on QKr! please remind your child to bring the brown paper bag back to the canteen to get their ice block.
- You can place orders for up to 2 weeks in advance.
- QKr! orders shut at 9 am each day.
- A few times during the term, mainly on a Tuesday the canteen will have a Special Recess/Lunch Order day. Orders can be made via the QKr! App. The canteen is NOT open for standard recess or lunch orders or over the counter sales at Recess or Lunch on these days.
- If QKr! doesn't work on your phone you can use a computer to place orders.
- If you have placed a Lunch order or Canteen Special Day Order via QKr! and your child won't be attending school on that day please contact me via the details below.

Sales at Recess and Lunch

The canteen has over the counter sales for all students at recess and lunch where students can bring money to school and purchase delicious food. This gives the students a great opportunity to learn about money and what products cost.

The over the counter sales prices range from 20 cents - \$4.50.

Ice blocks are not available for reception, year 1 and year 2 students to purchase at recess due to not being able to finish eating them in time to return to class.

Any questions call Dernancourt School on 8261 2677 and ask to speak to Tracy or email Tracy.Jones835@schools.sa.edu.au
